PROFESSIONAL SUMMARY

A driven and ambitious Information Technology student with a strong foundation in programming languages and a genuine interest in building reliable software solutions. Recognized for analytical thinking, attention to code quality and a proactive learning approach. Comfortable working independently as well as within collaborative teams to solve technical challenges and deliver practical outcomes. Motivated to continuously strengthen technical expertise and contribute effectively in progressive development environments.

EDUCATION

2023 – 2027
Coimbatore

SRI RAMAKRISHNA INSTITUTE OF TECHNOLOGY
B.Tech in Information Technology | CGPA: 7.02

2022 – 2023
Karur

CHERAN MATRICULATION HIGHER SECONDARY SCHOOL
12th Grade - 71.5%
10th Grade - Pass

INTERNSHIP EXPERIENCE

06/2025 – 06/2025
Coimbatore

JAVA PROGRAMMING INTERN
Segolsys | Duration- 15 Days
- Practiced core Java concepts and object-oriented programming through hands-on exercises and mini-tasks.Assisted in debugging and improving code logic under guided supervision.

12/2025 – 12/2025
Coimbatore

WEB DEVELOPMENT INTERN
Virtual SoftTech | Duration- 30 Days
- Built responsive web pages using HTML and CSS with focus on layout consistency and usability.Developed understanding of frontend workflows and simple application structure.

PROJECT

EXPENSE TRACKER
GitHub: https://github.com/karthikeyanveera/Expense-Tracker
- Developed a responsive personal finance web application using React 18, Vite, and Tailwind CSS to manage income and expenses with an intuitive user interface.
- Implemented CRUD functionality for financial transactions with weekly and monthly expense tracking, automated monthly data reset, and secure browser-based storage using Local Storage.
- Integrated Chart.js to visualize spending patterns with interactive pie charts and generated downloadable financial statements in PDF format using html2pdf.js.
- Designed a modern glassmorphic UI with responsive layouts, dark/light mode support, and optimized performance for a seamless user experience. **Tech Stack:** React 18, JavaScript, Vite, Tailwind CSS, Chart.js, html2pdf.js, HTML5, CSS3, Local Storage.

STUDENT MANAGEMENT SYSTEM
- Engineered a Java-driven system to manage student information lifecycle including registration, updates, search and data integrity control.
- Applied object-oriented design principles for modular code organization and scalable architecture. Implemented JDBC-based MySQL integration for persistent storage and optimized database transactions.
- Built validation workflows and exception handling mechanisms to ensure reliability and consistent system behavior. Streamlined CRUD operations to improve operational accuracy and reduce manual overhead. **Tech Stack:** Java, MySQL, JDBC, OOP, SQL

CERTIFICATES AND TRAINING

ENGLISH TYPEWRITING CERTIFICATION | Government of Tamil Nadu
- **Senior Grade** – 45 WPM (Second Class)
- **Junior Grade** – 30 WPM (Second Class)

C PROGRAMMING BASICS | Simplilearn
- Strengthened foundational programming knowledge, syntax mastery and structured problem-solving techniques.

TCS iON NQT – IT (August 2026)
- Overall Score: 51.81%

CAMBRIDGE LINGUASKILL ENGLISH ASSESSMENT
- Certified at **CEFR A2 Level** across Listening, Reading, Speaking and Writing competencies, indicating functional English communication ability in professional and academic environments.

JAVA PROGRAMMING CERTIFICATION | IDM Techpark, Coimbatore
- Completed intensive training in **Core and Advanced Java**, covering object-oriented programming, application logic design and best coding practices.
- Certificate ID: 181IDMCBE2024 | Completed: Dec 2025

SKILLS

TECHNICAL SKILL SET — Programming Languages: Java (Core & Advanced) – Basic || C – Basic || C++ – Basic | **Database Technologies:** MySQL – Intermediate | **Data Structures:** Stack || Queue || Linked List – Basic | **Web & UI Technologies:** Streamlit – Basic ||HTML, CSS – Intermediate | **SOFT SKILL SET :** Self-Learning | Critical Thinking | Teamwork & Collaboration | Quick Learner

ACHIEVEMENTS

— **NATIONAL LEVEL TECHNICAL SYMPOSIUM - CONVERGENCE 2025 :** Nehru Institute Of Technology-Third Prize in Debugging Competition
— **HACKERRANK -** JAVA SKILL BADGE **"★★★"**
